CHILDREN’S ROOM

We warmly encourage anyone interested in joining the Children’s Room Staff to reach out.

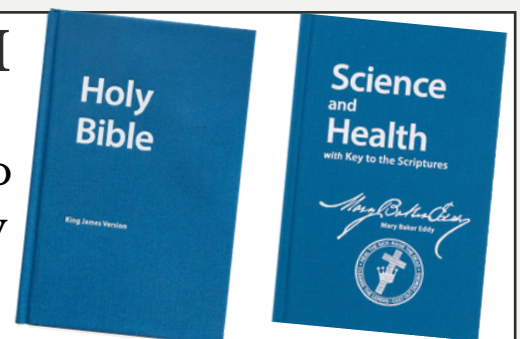

Whether it is once a month on Sunday or a Wednesday evening, or to be on call occasionally, your support would be greatly appreciated. We are grateful for whatever you can offer.

Wednesday Focus

Sunday School students have been participating in CS Summer Camps as both campers and counselors. We are excited to hear about everyone’s summer experience at the evening service on Wednesday, August 19th. All children are encouraged to attend. Snacks and drinks will be served in the Sunday School before the service.

READING ROOM

We now have the new Sterling Study Edition of the Bible and Science and Health available. We invite you to come and use our space for quiet study. We have many bound volumes and other resources for your use.
